**Schneider National Selects SignUp4 for
Automation, Centralization of Event
Registration Processes**

ATLANTA, GA, January 31, 2005. SignUp4, the leading provider of registration, survey and data management solutions to the Fortune 2000, announced the signing of an agreement with Schneider National, Inc. whereby SignUp4 will provide event management and registration software for the 2005 calendar year.

Schneider National, Inc. is the leading provider of premium truckload and intermodal services. The company will use SignUp4's "The Event Management System™" to automate the invitation and registration processes for both internal employee and external customer events. SignUp4's implementation will provide Schneider's marketing department the ability to provide a centralized website for event information and registration, allowing employees and customers the access to critical event information and updates in real-time.
