FedEx Freight Selects SignUp4 as Meeting Management Standard

ATLANTA, GA, November 1, 2005. SignUp4, the leading provider of registration, survey and data management solutions to the Fortune 2000, announced that Harrison, AR based FedEx Freight has chosen SignUp4 as their provider for online meeting management solutions. Ease of use, cost and roommate/room block automation are reasons cited for their decision.

FedEx Freight is the leading U.S. provider of next-day and second-day regional, less-than-truckload (LTL) freight services. The company plans to utilize SignUp4's "The Event Management System™" to manage a variety of meetings including sales incentive, internal training, and corporate sponsored events.

FedEx Freight will begin to immediately utilize SignUp4 applications to manage events and meetings throughout the 2005/2006 calendar year.

About FedEx Freight

Through a comprehensive network of service centers and advanced information systems, FedEx Freight provides award-winning regional and interregional LTL freight services to virtually all U.S. ZIP codes, including Alaska and Hawaii, as well as Canada, Mexico, Puerto Rico, Europe, Central and South America, the Caribbean and Asia. FedEx Freight is known for exceptional service, reliability and on-time performance.
